

Our valuable customers and partners;

The REACH SVCH list has been updated since date June 10,2022. We certify that:

- The products we produce do not contain any substance of high concern (including the new contents added to list too.*
- The plastic products we produce do not contain RoHS3 (EU 2015/863) with the number of restricted ingredients reaching 10 with the new 4 phthalates coming into effect on 22 July 2019.*

In these contexts, there is no any restricted or prohibited chemical content in plastic products we produce or supply.

We present to attention of our valuable customers and partners.
